PRESS RELEASE

Where has the Summer gone? Time flies when you're having FUN!

Richmond Night Market has enjoyed some great weather this Summer and is excited to announce they will extend their 2021 season until September 19th, culminating with a Lantern Festival on their last weekend.

That weekend will see the evenings take on a different glow with outdoor lantern installations and feature live traditional Asian dance and musical performances by community groups.

As a reminder, this will be your last chance to taste some incredible creative food options at the International Food Fair, and pick up end of season bargains from the retail vendors.

Don't forget Richmond Night Market will be open Labour Day Monday (September 6th). Visit RichmondNightMarket.com for all the details.

Thanks for making Richmond Night Market your "Go-To" for Summer Fun!

Now extended to September 19th. Join us this weekend at the corner of Number 3 and River Road... Just one block from the Bridgeport Canada Line station.
